

Who Says We Offer the Best Orthopedic Care? Our Fellow Physicians.

The Best Doctors in America®
PEER SELECTED 2017-2018

When physicians across the nation were asked recently to list the doctors they would choose in their area if a family member needed care, two names from one orthopedic practice rose to the top in Greensboro.

Those names? **Dr. Daniel Murphy** (right) and **Dr. Robert Wainer** (left), co-founders of Murphy Wainer Orthopedic Specialists. Both were named to the 2017-2018 Best Doctors in America® List, as voted upon by their peers in polling conducted by the Boston-based Best Doctors, Inc.

Only the top 4 percent of physicians in the U.S. are chosen as Best Doctors. Physicians cannot pay to be on this list.

It's the tenth time Dr. Murphy has received this honor and the fifth time for Dr. Wainer.
